

THE MINI COUNTRYMAN.

ADD INSPIRATION.

Innovative Plug-in Hybrid or impressive Twin Power Turbo? The MINI Countryman is ahead of the pack with state-of-the-art technology. It takes the lead to new paths of experience – to new horizons of the mind.

As a Sports Activity Vehicle, it's just as home in an urban jungle as it is in the great outdoors. It inspires people to leave their everyday lives behind and to discover something exceptional. Its optional ALL4 all-wheel drive responds perfectly to any spontaneous change in direction. Thanks to Dynamic Stability Control (DSC), its drive torque is automatically distributed between the front and rear axles. The result: powerful traction in any weather, on any curves and slopes.

UNBEATABLE PERFORMANCE ON ANY TERRAIN.

The MINI Countryman offers you a choice of petrol and diesel engines as well as a plug-in hybrid with electric all-wheel drive. It combines all the advantages of a petrol engine with that of an electric motor and can travel up to 51 km¹ on electric power alone. All engines feature the high-performance MINI Twin Power Turbo technology. From a 6-speed manual to an 8-speed sport automatic, there are various transmission alternatives to choose from, depending on the selected engine.

Sport suspension settings ensure firm road holding without compromising on comfort. The MINI MID, GREEN and SPORT Driving Modes provide a new and unique driving experience by allowing you to change the steering and accelerator characteristics at the touch of a button.

COOPER SE ALL4.

Dynamic and efficient: with a three-cylinder petrol engine with 92 kW²/125 hp at the front axle and an electric motor with 70 kW/ 95 hp at the rear axle. Instantly recognizable via the yellow MINI Plug-in Hybrid logo on the side scuttles and at the rear. Charging port at left side scuttle. Yellow “S” on the front grille and tailgate. Single chrome-plated tailpipe at rear apron on the left-hand side. Piano Black exterior available on request.

COOPER S.

Better, faster, stronger: 2.0 litre, four-cylinder petrol engine with 131 kW²/178 hp and 2.0 litre, four-cylinder diesel engine with 140 kW/ 190 hp for maximum sporty power. Hallmarks include the red S on the rear, side scuttles, the mesh-look radiator grille and chrome-plated tailpipes on the left and right sides. MINI ALL4 Exterior Optic package and Piano Black Exterior available on request.

COOPER.

Let’s get away from it all: the 1.5 litre, three-cylinder petrol engine and the 2.0 litre, four-cylinder diesel engine with 110 kW/150 hp. Special features: a chrome tailpipe and roof and exterior mirror caps in an optional contrasting colour. With optional Chrome Line Exterior, the horizontal struts of the fin grille are also available in chrome.

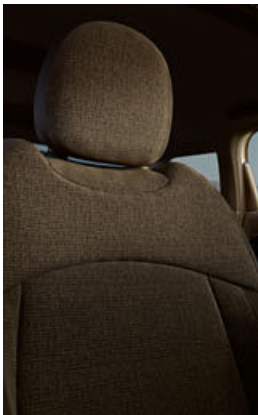

ONE.

The adventure starts here: 1.5 litre, three-cylinder petrol engine with 75 kW/102 hp or 1.5 litre, three-cylinder diesel engine with 85 kW/116 hp. Both feature MINI Twin Power Turbo technology. Elegant Black finish for the side scuttles and tailgate handle trim. Exterior mirror caps and roof in body colour.

¹Based on the WLTP test cycle
²Depending on the environmental conditions, a temporary peak output is provided that may be approx. 10 % above the nominal output; the duration of the peak output increases as the environmental temperature decreases (at +25 °C approx. 5 s, at -20 °C approx. 40 s)

READY FOR ADVENTURE.

Take your first step to finding your personal Countryman style by choosing a trim option, which can be expanded with additional feature-rich packages as well as other individual options. Some equipment options that come with the trims are shown here in four preconfigured packages – exemplified by the MINI Countryman Cooper S.

Find out more from your MINI Partner about the trim options available – or go to the MINI website.

CLASSIC TRIM. FOR THAT ORIGINAL MINI FEELING.

- Paintwork in Sage Green
- Roof and exterior mirror caps in Jet Black

AN EYE- CATCHER IN EVERY LANDSCAPE.

Demonstrate your knack for design with the Countryman: Modern paint finishes with contrasting colours for the roof and exterior mirrors are available for each of the trims.

Dynamic accents can be added with bonnet stripes that match the contrasting colours. A wide range of modern light alloy wheels in sizes from 16 to 19 inches can further customise the look of your Countryman. A selection can be found on the right. More light alloy wheels are available via Original MINI Accessories.

¹Leather covering on the seat cushions, backrest and headrests front and back | ²Leather covering on the seat cushions and backrest | ³Only in conjunction with the JCW trim

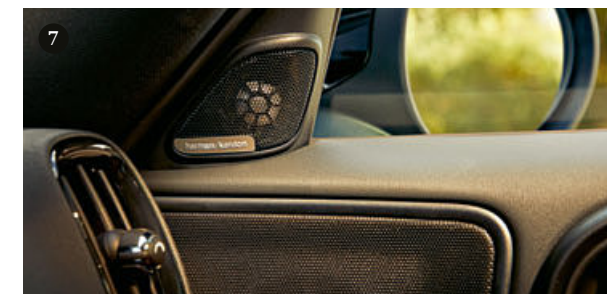

EQUIPPED FOR FUNCTION – BOTH INSIDE AND OUT.

Perfect your chosen trim with a range of feature-rich packages: The Driving Assistant Package Plus includes features like a collision and pedestrian warning system and Active Cruise Control (1). An integrated Parking Assistant helps you find a parking space and supports you with parallel parking. Connected Navigation Plus delivers the latest technology, including the MINI Head-Up Display (2) that puts core journey information right in your field of vision. With a personal concierge, real-time traffic information via the navigation system (3) and a range of other Remote Services, this package opens up all the latest ways to interact with your vehicle. With the Comfort Package Plus, you'll enjoy being in your MINI even more thanks to seat and steering wheel heating as well as automatic air conditioning (3).

A range of individual options are also available to make your MINI just how you want it – these include a stylish Piano Black exterior (4), full LED headlights with Matrix light functionality (4), fold-out picnic bench at the rear (5), Easy Opener function with automatic tailgate operation and Comfort Access (6) and the 360 Watt Harman Kardon® HiFi system with 12 speakers (7).

There's more on all available packages and individual options at [mini.com](https://www.mini.com)

MOBILITY LIKE NEVER BEFORE – WITH THE NEW MINI APP.

Get the most out of your MINI: The new MINI app is a mobile add-on that seamlessly connects your smartphone to your MINI and gives you access to your vehicle's core functions. The app's intuitive, user-friendly design make it incredibly easy to use. The MINI app also opens up new routes and interactions with MINI Connected and your surroundings – it gives you a constant overview of the current status of your MINI and Remote Services also mean you always know where your MINI

is parked. It makes it even easier to get from A to B as it lets you add favourites like “home” and “work” or you can send other destinations straight to your MINI. If your MINI has any service requirements, the app will notify you directly. You can then use the app to make an appointment with the MINI Service Partner it has saved for you.

WHAT'S NEXT? WELL, YOUR PERSONAL TEST DRIVE, OF COURSE!

Life's essential lessons can't be found in books or online – you have to discover them for yourself. The only way to grow as a person is to get out there, explore new ideas and grapple with new experiences. If you feel adventure calling, contact your MINI Partner, who will be happy to book a test drive in the Countryman for you. Climb in and discover a new way of seeing the world, experiencing travel hands-on and meeting new people. Take the first step and get more out of life – in the new MINI Countryman.

SMART SERVICE, INTELLIGENT TECH.

MINI TELESERVICES.

MINI Teleservices lets your MINI Service Partner connect with your vehicle. Wherever you are, we are there for you. If necessary, your MINI will connect you directly to emergency or repair services so that you can get help quickly.

But that's not all: this intelligent technology informs your preferred MINI Service Partner when, for example, an oil service is due or the battery charge level drops to a critical level. Your MINI Service Partner will then contact you to arrange a service appointment.

NO RISK. MORE FUN.

MINI SERVICE INCLUSIVE.

Everything covered in one. Life is full of so many surprises, and from now on, you have a dependable companion that's ready to share all your new adventures. That's because your MINI knows exactly if and when an inspection is due all by itself. And to make sure you're not surprised by unexpected service costs, there's MINI Service Inclusive. The principle: you receive the attractive Service Inclusive offers for new vehicles when purchasing a new MINI, or until the first inspection is due – you pay only once and all included service and maintenance work is covered for the term you choose. Let individual bill costs float away in your slipstream. Your MINI is always in the best of hands – at all participating MINI Service Partners around the world.

ADD MORE SPACE AND STYLE.

Add more to your grand tours, with more style for your adventure.

Practically perfect MINI Luggage Compartment Mats keep your adventure in order whilst the MINI Rear Bike Rack Carrier allows for more wheels – equaling more fun. Add more convenience with the MINI Luggage Rack, providing ample room for extra adventure.

Make a mark with the MINI All 4 Designation in Piano Black or add more to your sideways glance with the MINI Exterior Mirror Caps in Night Jack. With MINI Original Accessories, the possibilities are endless.

① MINI Luggage Compartment Mat. ② MINI Luggage Rack.
③ MINI Rear Bike Rack Carrier, compact. ④ MINI Exterior
Mirror Caps in Night Jack. ⑤ MINI All Weather Floor Mats.
⑥ MINI All 4 Designation in Piano Black. ⑦ MINI Cooper S
Designation in Piano Black.

MINI FINANCIAL SERVICES. LEASING OR FINANCING?

MINI Financial Services offers flexible and competitive leasing and loan solutions designed to get you on the road your way. MINI Leasing gives you the freedom of driving your MINI for a set period of time and then returning it. With MINI Financing, you get to own your MINI outright.

WHAT MINI LEASING CAN OFFER YOU.

MINI Leasing gives you the flexibility to easily switch to your next MINI when your lease ends. You have two attractive options: there is an all-inclusive Operational Leasing package as well as MINI Select, which provides you with maximum freedom of choice.

HAVE YOU OPTED FOR A PLUG-IN-HYBRID COUNTRYMAN?

Feel free to make use of our attractive offers below to be fully electrified.

MINI FINANCIAL SERVICES ELECTRIFY PROGRAM.

The MINI Electrify Program adds peace of mind if you want to go with a Plug-In Hybrid Countryman. Just decide on your lease or loan product and get electrified, with first-rate features like MINI eCARE, MINI eCOVER and MINI eCOMFORT, which include special charging services for your MINI.

WHAT A MINI LOAN CAN OFFER YOU.

By financing your new MINI, you have the flexibility to make it 100 % yours. This gives you the freedom to sell it or exchange it for a new one when the time is right. We offer financing with (Balloon Loan) or without a balloon payment (Basic Loan) – making it easy for you to be on the road in your new MINI in no time.

THE MINI CHARGING SERVICES.

The following charging solutions can be included in your contract:

MINI CHARGING INCLUDED – An optional MINI charging card for easy access to public charging stations.

MINI FLEX CHARGER ADAPTER – Charge your MINI faster from a CEE power outlet at home with the appropriate adapter.

MINI WALLBOX – The quickest way to charge your MINI at home is through the MINI Wallbox.

MINI INSURANCE OFFERS. NO ONE UNDERSTANDS YOUR MINI LIKE WE DO.

MINI has a range of insurance products you can choose from. They are tailored specifically to your MINI and protect you and your vehicle against any unfortunate occurrences. They also ensure your MINI remains a real MINI by using only authorized repairers and genuine MINI parts.

MINI MOTOR INSURANCE.

MINI Motor Insurance comprises third-party liability coverage and pays for physical injuries or property damage you may have caused. Comprehensive insurance also covers any damage caused to your own car.

GUARANTEED ASSET PROTECTION INSURANCE.

This covers the shortfall or ‘gap’ between the replacement cost of your vehicle and your insurance settlement if you are faced with a total loss as a result of accidental damage, fire or theft.

WARRANTY.

MINI offers excellent warranties on vehicles as well as genuine MINI parts. These assure the integrity of a product and our responsibility for the repair or replacement of defective parts or the whole product itself once the statutory warranty expires. All genuine MINI parts come with a two-year warranty as standard, while new vehicles come with a three-year warranty.

PAYMENT PROTECTION INSURANCE.

This covers loan or lease contract repayments in the event of unforeseen problems – for example, if someone unexpectedly falls ill, or is made unemployed.

¹ Depending on the environmental conditions, a temporary peak output is provided that may be approx. 10% above the nominal output. The duration of the peak output increases as the environmental temperature decreases (at +25 °C approx. 5 s, at -20 °C approx. 40 s).

² All figures relate to vehicles with the standard 6-speed manual transmission. Values in [] relate to vehicles with 7-speed/8-speed automatic Steptronic transmission.

³ The data for fuel consumption, CO₂ emissions and energy consumption are determined in accordance with the measurements processes as defined by European Regulation (EU) 715/2007 in the applicable version. Data refer to a vehicle with base-level equipment in Germany, and the ranges account for differences according to the selected wheel and tyre size and the optional equipment. For these vehicles, values other than those specified here may apply for the assessment of taxes and other vehicle-related charges that are (also) based on CO₂ emissions.

⁴ Range depending on different factors, in particular: Personal driving style, road conditions, external temperature, heating and air conditioning, and preconditioning.

The models illustrated in this brochure show the specifications for vehicles produced by BMW AG for the German market. In part, they include optional equipment and accessories not fitted as standard. The availability of standard and optional equipment, and configurations of options, may vary for all models in this brochure after going to press on 01 January 2021 and may vary from country to country within the European Union. For detailed information about the situation in your country, please contact your authorized MINI dealer. Subject to changes in design and equipment.

At the end of the use phase, all vehicles can, of course, be recycled and re-used. Additional information about returning your old vehicle can be found on our website at mini.com/recycling
