A THOROUGHBRED WITH STYLE.

The MINI Coupé and MINI Roadster boast a sense of effortless cool, while being specifically designed to deliver a fun-packed driving experience. With Original MINI Accessories, you can put your own stamp on the excitement, and express your personal style.

1 Side stripes
The side stripes underline the sporty design of the MINI Coupé and MINI Roadster. They are available with Cooper and Cooper S lettering in Black and Silver.

1 Additional headlights
These round lights with a diameter of 140 millimetres are mounted in front of the radiator grille, and switched on when high-beam is activated. For drivers with a darker side, the headlights are also available in Black.

1 Exterior mirror caps with Union Jack design
Choose this option, and people will be looking at your mirrors almost as often as you look in them.

1+3 Side scuttles
The eye-catching side scuttles perfectly complement the inimitable styling of your MINI. Available in Union Jack (Fig. 1) and Black Jack (Fig. 3), as well as a range of other designs and trendy colours.

2 Car cover, indoor/outdoor
As stylish as it is practical. The sports-style car cover with Viper Stripe design fits the MINI Coupé and MINI Roadster perfectly. It can be used both indoors and out, and protects against dirt, dust, water and scratching. Machine washable at up to 30 degrees Celsius.

4 Valve caps
A small detail that makes a big impact. Available in a Union Jack (Fig. 1), Black Jack (Fig. 4) or Checkered Flag design.

5 Black Line rear lights
The Black Line rear light package offers sportier, more imposing styling. It features two rear lights with black housing, bezels in Brilliant Black and additional left and right direction indicators. Matching bezels in Brilliant Black are also available for the front headlights.

FAST ACCESS.

Whatever your adventure, make sure you're fully kitted up, with Original MINI Accessories.

1 Organizer set
Stylish, flexible and hugely practical. The organizer set has been specially designed for the limited storage space around the partition lining. It is made up of a storage bag in the rear, and an organizer cover, fitted to the front of the bag. The organizer cover holds a MINI Checkered ballpoint pen, as well as a MINI notebook. A mobile phone and flight or parking tickets can be stored in the exterior, while there is space inside for a charging cable, pens and even an iPad. The storage bag itself offers a host of additional space for other objects, such as a bottle and towel.

2 Luggage compartment mat, fitted
Fitted protection for the luggage space. Made of hard-wearing, non-slip plastic, it is both oil and solvent-resistant. Available with the MINI logo or Cooper S lettering.

3 Powder-type fire extinguisher with mounting bracket
Accessible from the glove compartment, the high-performance powder-type fire extinguisher provides immediate assistance. A practical fastening system means it is easily mounted.

INTERIOR DESIGN.

ALL THE DETAILS TAKEN CARE OF.

Climb in, relax, and give yourself over to an unforgettable driving experience. Original MINI Accessories can be combined to create the perfect personal environment for taking on any MINI adventure.

1 MINI baby seat 0+
For children from 3 to 13 kg (aged up to 18 months). Provided the airbag is deactivated, the baby seat is fitted facing away from the direction of travel on the front passenger seat. Seat reducer and removable sun protector included. The seat can be released from its mounting in seconds and used to carry your baby. With or without ISOFIX.

2 Glove compartment dividers
The glove compartment dividers create additional small compartments and make it easy to keep your CDs, books and maps neat and tidy.

3 Centre armrest with large storage compartment
The large storage compartment in the centre armrest is the perfect place for items you need to keep close at hand, like your sunglasses or wallet.

4+5 Cosmopolitan floor mats
The MINI obsession with style and variety extends right down to the footwell. Floor mats are made of high-quality velour and feature the MINI logo and reflective nubuck edging. They are supplied as sets of two.

5 Interior surfaces in Checkered Flag design
Focused on the finish line: a Checkered Flag surface for the instrument panel gives the interior a real racetrack feel.

IT'S PARTY TIME.

Make journeys fly by, with a variety of digital entertainment options. As DJ and master of ceremonies, you can transform every trip into an event to remember.

1 Holder for MINI Portable Navigation System
The innovative holder for the MINI Portable Navigation System is mounted behind the steering wheel and ensures there are no trailing wires. The navigation device revolves around the revolution counter, for optimum visibility and ease of operation when the car is stationary.

1 USB/iPod interface
The USB/iPod interface enables an iPod, iPhone, MP3 player or USB memory stick to be connected directly to the vehicle's audio system. The names of the album, song and artist are shown on the radio display. Operation is via the multifunction steering wheel or the radio. The music device is stored safely out of sight in the glove compartment, and its battery charged from the vehicle electrics while the music plays. Available for vehicles with MINI Radio CD.

2 Snap-in music adapter
Phone-specific snap-in adapters are available for the mobile phone preparation with Bluetooth interface. The snap-in adapter is a secure, stable docking system that charges your phone. Its cable-free antenna connection provides improved transmission and reception quality, while reducing radiation within the vehicle.

3 Audio adapter for Apple iPod/iPhone
Using the adapter cable, you can connect your portable MP3 player or iPod/iPhone to the MINI Radio. On certain models, a video/audio adapter for the iPod/iPhone is also available.

4 ALPINE hi-fi system
Significantly enhances audio performance. Includes a high-performance class-D amplifier, with bass, mid-range and tweeter speakers featuring an aluminium membrane for a clear, detailed sound. Easy to fit, with no change to the standard loudspeaker locations.
