THE WHEEL DEAL.

There's more to our wheels than meets the eye. Not least incredible attention to detail and expertise, both of which go into every stage of design and development.

1 Cross Spoke Composite R90 light-alloy wheel in Brilliant Black
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

1 5-Spoke R85 light-alloy wheel in Chrome
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

1 Multi Spoke R108 light-alloy wheel in Matt Black
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

2 Double Spoke R99 light-alloy wheel, Polished
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

3 Twin Spoke R128 light-alloy wheel in Black
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

4 Multi Spoke R108 light-alloy wheel in Silver
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

5 Cross Spoke Composite R90 light-alloy wheel in Anthracite
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

6 5-Star Pace Spoke R110 light-alloy wheel in Silver
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

7 Black Star Bullet R111 light-alloy wheel
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

Whenever you purchase new tyres, look out for the five-pointed star of the Genuine MINI range. Positioned on the sidewall, this indicates the product has been put through its paces by MINI in partnership with leading tyre manufacturers. These tests guarantee that the tyre meets all key safety, responsiveness and comfort requirements, and have been put together with your MINI in mind. For more information on wheel/tyre combinations and winter complete wheels, please see the product overview at the back of this catalogue, or the Accessories area of the MINI website.

CATCHES THE EYE, STEALS THE HEART.

2

3

4

5

Everywhere it goes, the MINI leaves a trail of broken hearts behind it. It doesn't mean to. But the truth is, Genuine MINI Accessories make it too gorgeous to resist..

1 Double Spoke R99 light-alloy wheel in Silver
Size 7J x 17 inches, 205/45 R17 V runflat tyres.

1 Checkered Flag design for roof
The Checkered Flag design gives the MINI a unique look. For the MINI Hatch, this is available with Black and White squares, while for the MINI Clubman, a Silver and Black design is also on offer. The decal also covers the profiled edges at the sides of the roof on the MINI Clubman.

1 Exterior mirror caps with Checkered Flag design
The perfect complement to the Checkered Flag roof design.

1 Additional headlights in Chrome
These round lights with a diameter of 140 millimetres are mounted in front of the radiator grille, and switched on when high-beam is activated.

1–3 Side scuttles
The eye-catching side scuttles perfectly complement the inimitable styling of your MINI. They are available in a choice of stylish designs and vibrant colours.

4+5 Valve caps
A small detail that makes a big impact. Available in a Black Jack (Fig. 4), Union Jack (Fig. 5) or Checkered Flag design.

RUNFLAT TYRES.
How can you keep driving after a puncture without changing the wheel? Easy. With runflat technology. The sidewalls of the tyres are specially reinforced and made of an extremely heat-resistant rubber compound. Together with humps on the rim, this prevents the tyre from detaching after a complete loss of pressure, even when cornering. As a result, there is no need to change the wheel. Depending on the load you are carrying, you can keep going at speeds of up to 80 km/h for between 150 and 800 kilometres.

1

IT’S GETTING PERSONAL.

1

2

3

Stamp your personality on your MINI. Any MINI looks good, but by making it unmistakably yours, you’ll ensure you’re the centre of attention everywhere you go.

1 Rooftop smartphone touchscreen
What better way to go mobile than in your MINI? This smartphone design adds a high-tech flourish to the roof of your MINI.

2 Bonnet stripes
Bonnet stripes in Black or White bring a touch of the racetrack to your MINI. For the MINI Clubman, the bonnet stripes are also available in Silver.

3 25-watt xenon headlights
The world’s first ever retrofittable 25-watt xenon headlights are perfect for night owls. Their bright blue light offers excellent coverage, maximising driver safety.

4 Exterior mirror caps and rear-view mirror housings
The Union Jack and Black Jack options for the exterior mirror caps and rear-view mirror housing are the perfect complement to the classic roof design. Quintessentially British.

4 Additional headlights in Black
These round lights with a diameter of 140 millimetres are mounted in front of the radiator grille, and switched on when high-beam is activated.

4 Black Line lights package
The Black Line lights package gives your MINI an edgier look. Included in the kit are two dark rear lights with black housing, bezels in Brilliant Black, and additional left and right direction indicators in Black (not shown). Matching Brilliant Black bezels are also available for the front headlights.

4 Sport stripes
Cutting a dash: sport stripes for the bonnet, rear and roof, in White, Black, Red or Silver. Available in various combinations depending on the model.

4 LED daytime running light
With the new MINI LED daytime running light, you’ll shine on the streets, before it even gets dark. And as you would expect from Genuine MINI Accessories, the design fits in perfectly with the styling of your vehicle.

4

BRIGHTEN UP YOUR LIFE.

1

2

3

4

5

6

7

8

The MINI RAY accessories package adds a splash of colour to any vehicle. It's a great way to put a personal stamp on your MINI, both on the inside and out. Whether you go for decorative stripes, mirror caps, side scuttles, hub caps, emblems or badges, you're sure to draw the eye and leave a lasting impression.

1+2, 9 MINI RAY Multicolor emblem and MINI RAY interior badge
In living colour: the eye-catching MINI RAY emblem for the radiator grille is paired with the stylish MINI RAY multicolour badge for the dashboard.

3+9 MINI RAY side scuttles
A technicolour twist for your side direction indicator lights: this two-part trim is available in the same colour scheme as the exterior mirror caps.

4–9 MINI RAY exterior mirror caps
Show your true colours: exterior mirrors that spice up the overall look of your MINI. Available in Multicolor, Flash White, Shocking Blue, Lemon Yellow, Vitamin Orange, Energy Pink or Alien Green.

9 MINI RAY decorative stripes
Bang on trend: roof stripes and sport stripes for the bonnet are available in all MINI RAY colours.

9 MINI RAY rear view mirror housing
Keep it colourful: the perfect way to round off the MINI RAY collection. Available in all MINI RAY colours.

9 MINI RAY hub caps
Cap it off: Genuine MINI RAY hub caps in Shocking Blue, Vitamin Orange, Energy Pink, Lemon Yellow, Flash White, Multicolor or Alien Green.

INTERIOR DESIGN.

1

PERSONAL SPACE.

Close the door, and lose yourself in a little world of your own. A world where nothing is lacking, and everything is just the way you want it – thanks to Genuine MINI Accessories.

1 Sports steering wheel in Hot Chocolate leather
Deeply stylish: the Hot Chocolate colour makes a striking contrast in the interior. The optional multifunction buttons allow features such as cruise control and the radio to be operated. Not available for vehicles with optional shift paddles.

1 Gear lever knob and gaiter in Hot Chocolate leather
Look good, feel good: a gear lever knob and gaiter in Hot Chocolate leather make the perfect finishing touch to the interior.

1 Handbrake grip and gaiter in Hot Chocolate leather
The handbrake grip and gaiter can also be specified in Hot Chocolate leather.

2–4 Travel and Comfort System
The MINI Travel and Comfort System is a great addition for longer journeys. The modular system is structured around a base attachment that is easily affixed between the bars of the head rest. This can then be used with the clothes hanger, universal hook, or the holder for Apple iPad (see page 19). As well as ensuring your garments don't crumple on the way to your destination, the clothes hanger can also be used outside of the vehicle with a retractable hook (Fig. 2). The universal hook is ideal for hanging light shopping bags or a suit bag. The MINI Travel and Comfort System comes in Matt Black with Brilliant Black highlights, and is scheduled for release in April 2014.

HOME IS WHERE THE HEART IS.

1

Looking good is easy – the real trick is to do it in your own unique style. But with Genuine MINI Accessories you can do just that, with a range of options that let the true character of both you and your MINI shine through.

1 LED interior light package
Light up the inside of your MINI – and put a bright smile on your face. The five LED modules for the roof area and six LED units for the footwell and door areas give the interior an ultra-modern feel. This contemporary LED option comes in daylight white.

2+3 Rear-view mirror housings
The perfect complement to the classic roof design. Available in a Checkered Flag (Fig. 2), Union Jack (Fig. 3) or Black Jack design.

4 Centre armrest with large storage compartment
The large storage compartment in the centre armrest is the perfect place for items you need to keep close at hand, like your sunglasses or wallet.

5–6 Floor mat set
The MINI obsession with style and variety extends right down to the footwell. Floor mats are available in a choice of materials, and are supplied as sets of two for front and rear. Choose between Cosmopolitan (Fig. 5) or All-weather (Fig. 6) designs.

6 Door sill finishers (illuminated) with personalised lettering
Customise your MINI Hatch or MINI Convertible with personalised lettering, illuminated via electroluminescence technology (other door sill finishers are available in both illuminated and non-illuminated versions).

3

All aboard! There's always something special about climbing into a MINI. The unique designs of Genuine MINI child seats are a great way of ensuring your little ones enjoy the experience too. Patented airpad technology, paired with a single-hand belt adjustment system, deliver safety and practicality in equal measure, while ISOFIX connections mean the seats could not be easier to install. And with a choice of Union Jack and Vivid Green designs, their looks are as impressive as their performance.

1 MINI baby seat group 0+ with ISOFIX
The MINI baby seat 0+ is ideal for babies between 0 and around 15 months (approx. 13 kg). The child restraint system is made up of a portable infant carrier, a removable sun screen, and the ISOFIX base with height-adjustable support leg. Alternatively, the seat can be used without the ISOFIX base, and secured via the vehicle seatbelt.

2 MINI junior seat group 1 with ISOFIX
The safest position for children here is facing backwards, though they can also sit forwards if desired. For children from around 10 months to 3.5 years (approx. 9 to 18 kg). The MINI junior seat 1 features a five-point belt system and the ISOFIX base, which can also be used with the MINI baby seat 0+.

3 Sun screens for rear windscreen and side windows
Particularly useful for children, these simple screens provide comfort from the sun. Flexible sprung steel frames ensure they fit snugly into the rear windscreen and rear side windows. When not in use, they can be folded up and carried in the compact storage bag supplied.

4 MINI junior seat group 2/3
Designed for children between the ages of 3 and 12, the MINI junior seat 2/3 keeps children comfortable and secure around every bend. It fits snugly into the angle of the seat back, and can be used by youngsters of up to 150 cm. As well as single-hand height adjustment, the seat also offers practical single-hand width adjustment. In addition, the back can be folded down for easy transportation. The seat is secured in place via the vehicle seatbelt, and can also be connected using the car's ISOFIX points.

MUSIC, COMMUNICATIONS AND TECHNOLOGY.

1

2

3

DRIVE IT YOUR WAY.

Go your own way. Genuine MINI Accessories for navigation put you in complete control of how you reach your destination. After all, there are bound to be times when you want to take the scenic route – especially if you are enjoying the music from the Alpine hi-fi system.

1 Holder for Portable XL Navigation System
Designed specially for MINI, this portable navigation device features TMC Premium functions as standard, and will show you the best way to beat the traffic. When used in conjunction with the Smartphone Link app via Bluetooth, drivers receive real-time updates on the traffic situation of alternate routes. The innovative holder means the device can be moved around the rev counter, blending smoothly into the overall cockpit design at all times. The latest maps come pre-installed, and as an option, can be updated via SD card.

2 ALPINE hi-fi system
Significantly enhances audio performance. Includes a high-performance class-D amplifier, with bass, mid-range and tweeter speakers featuring an aluminium membrane for a clear, detailed sound. Easy to fit, with no change to the standard loudspeaker locations.

3 MINI holder for Apple iPad mini
In addition to the Apple iPad mini, all second, third and fourth-generation iPad models can be locked into the base attachment of the Travel and Comfort System quickly and easily. They can then be removed again at the touch of a button. Various positions make reading text, watching videos, and chatting online easy for rear-seat passengers. A support on the back of the holder means it can also be used outside of the vehicle.

GOOD DESIGN

iF product design award 2013

SOUNDS LIKE FUN.

Genuine MINI Accessories for digital communications and entertainment are worth making a song and dance about. Choose the soundtrack to your own personal road movie every time you take the wheel. And thanks to the connectivity solutions on offer, you'll also be fully contactable at all times.

Mission Control (not shown)
Let's talk MINI! Mission Control provides in-cockpit entertainment. It greets drivers, reacts to what they do (or don't do), tells them when their seatbelt isn't fastened, keeps them informed about the interior, exterior and engine temperature and even gives prompts on how to drive more fuel-efficiently. This new infotainment system comprises a control unit, connector cable and an SD card with an extensive English vocabulary stored on it.

1 CD changer
Built into the glove compartment, it can hold up to six CDs. MP3-compatible.

2 Music adapter for Apple iPod/iPhone
Using the adapter cable, you can connect your portable MP3 player or iPod/iPhone to the MINI Radio. Depending on the model, a Media Adapter for Apple iPod/iPhone is also available.

3 Snap-in adapter
For the playback of music files stored on a mobile phone through the vehicle's audio system. It also charges the handset battery and ensures optimum reception. Available (with or without USB interface) for most current mobile phones from Apple, Nokia, Motorola, Sony Ericsson and Samsung, and for BlackBerry® devices.

4 Tablet DVD system and infrared stereo headphones
The ultimate back-seat entertainment system offers two screens, a built-in DVD player, a USB interface and two vehicle brackets. It can be used to play back a wide range of video, audio and picture formats. The optional infrared stereo headphones (not shown) deliver superb sound quality, with no annoying trailing wires.

LUGGAGE AND LEISURE.

1

2

3

4

COMPLETELY ON TOP OF THINGS.

With Genuine MINI Accessories transportation solutions, your carrying capacity will go through the roof – or at least on it. Read on to discover the exciting possibilities of the various carrier systems on offer.

1 Aluminium rear-mounted rack
The rear-mounted rack can hold two bicycles. Where the rear-mounted rack preparation (sold separately) is fitted to the MINI Convertible, it can be attached in seconds to the tow eyelets. For vehicles that were not supplied ex works with the rear-mounted rack preparation, this can also be retrofitted.

2–4 Roof rack base support system, lockable
The support arms are made of high-strength, corrosion-resistant aluminium tubing, and with their anti-theft attachment mechanism, they meet the highest security standards. Usable width approximately 900 mm. Maximum roof load 75 kg.

2 Touring cycle holder, lockable
A sturdy attachment for transporting a bicycle with a frame diameter of between 22 and 80 mm. A simple fastening system makes it quick and easy to put the bike into the holder. The wheel is secured via a screw mechanism. Also suitable for mountain bikes.

3 Roof box
If you're running out of space in the back, head straight to the top. The roof box is supplied either with Black bottom casing and top casing in Silver Metallic, or entirely in Black. Incredibly practical, it can be opened from both sides. Decorative stripes in Black or White are also available. Dimensions (L x B x H): 1,900 x 630 x 360 mm. Capacity approx 350 litres. Weight approx. 16 kg.

4 Ski and snowboard holder, lockable
Holds two snowboards and two pairs of skis, or up to six pairs of skis. There is also space for ski poles.
